PAST GRADING/NUMBERING SYSTEMS

Prior to the Summer of 1980, several units used their course numbers to differentiate academic discipline or chronology of course generation. An attempt to determine level of course by the number is not possible prior to the Summer of 1980 for the following units: Thomas Jefferson College, William James College and Kirkhof College.

College of Arts and Sciences – CAS – Consolidated July 1983

Through Spring quarter, 1980, the college used the grade P (pass) for its pass/fail option.

Thomas Jefferson College – TJC – Closed July 1980

The transcript shows only those TJC labeled studies which have been completed at the equivalent level of "C" or better.

William James College – WJC – Consolidated – July 1983

Prior to Fall 1974, the college used the following grades for completed work: H – Honors; CR – Credit; AU – Audit

Beginning in the Fall 1974 term, WJC used the following grades: CR – Credit; AU – Audit

Russel H. Kirkhof College – KC – Consolidated – July 1983

Prior to Fall 1978, Russel H. Kirkhof College was the fourth undergraduate college designated (CIV). Prior to Fall 1976, the grade "M" (Mastery) was used representing work completed at the 90 percent level and was considered equivalent to an "A" letter grade. Prior to Summer 1980 no GPA was computed on Kirkhof coursework.

F.E. Seidman College of Business and Administration – SSB – Consolidated July 1983

Prior to the Summer of 1980 the grades of A/B and B/C were used for graduate level courses.
